DESCRIPTION OF AQUADOR 25 C

The well-equipped helm station is comfortable and offers excellent visibility in all directions.
Around the cabin seating area, the entire crew can also enjoy the unobstructed views.
The table can be lowered and converted into a wide berth.
Large sliding doors provide easy access to both the side decks and the aft deck.
Forward along the port side is the practical galley, equipped with a stove, refrigerator, and sink.
The toilet is located to starboard and includes also a shower.
In the bow there is a comfortable V-berth.

Thanks to the walk-around design, it's safe and easy to move around the boat on deck.

The boat offers ample storage space with plenty of lockers and drawers, both inside and outside.

The powerful Volvo Penta diesel engine provides plenty of performance, and the bow thruster makes harbor maneuvers much easier and safer.

The boat is in very good condition, with no groundings or other notable damage.

This Aquador 25 C is being sold by its second owner and is well equipped, including a heater, stern anchor windlass, radar, automatic trim tabs etc. and has only 380 engine hours.

Winter storage in a hall and homeport in Raseborg, approx. 1 hour west of Helsinki - Finland.
