DESCRIPTION OF DUFOUR 35 CLASSIC

A modern French sailing yacht with classic styling, combining good sailing performance with comfortable accommodation.

The interior is bright and spacious, with a generous saloon where the whole crew can gather. There is plenty of seating and good storage space. The port-side settee can also be converted into a wide berth.
The practical pentry is well laid out and offers good facilities for cooking, even on longer passages.
Forward is a spacious cabin with a double berth, lockers and storage space.
Aft to port is a separate aft cabin with a wide double berth.
The boat's layout provides plenty of sleeping accommodation, making her well suited also for longer stays on board.
The head is located aft to starboard and also offers shower facilities.
Forward of the heads is the navigation station, which also works very well as an onboard office for remote work.

The cockpit is spacious, with plenty of room for the crew, and is equally well suited for sailing or relaxing in harbour.
The deck layout is practical and makes the Dufour 35 easy and safe to handle, even with a small crew or single-handed.

The boat is in good condition, with no significant damage or history of groundings.
She is offered for sale by her second owner and is available for viewing in Helsinki - Finland.
