DESCRIPTION OF BEST EXPLORER

Best Explorer is an Italian Built steel Yacht built for world wide operation having cruised for years in the Tropics as well as in the Arctic areas as a research vessel. 5 cabins and a total of 12 berths make for a spacious and safe vessel for exploring the world, anywhere you would like.

Present owners are dedicated sailors and explorers now wanting to go ashore. An exhausting inventory list (for download) leaves almost nothing to the imagination. The vessel is fully equipped for almost any situation. Best Explorer has always been classed within the Italian Registry of Ships which means it has been surveyed every 5 years. Reports and full history and documetation is available.

Check out the equipment list as well as the detailed inventory list that you can download in pdf below.

Please contact the broker for any further information or to arrange a visit. Boat is presently in the water in Skovshoved near Copenhagen.
